THE RESIDENCY MYSORE

C.S. 16/1/91

Bangalore,
16th January 1891.

My dear Sir

The Government of India have sanctioned the appointment of Mr. Rickeyjohn as Commissioner of Coorg from the 26th January, and have asked the Resident to take the necessary steps to obtain his services from the Durbar.

Sir Oliver St: John has written demi-officially on the subject to the Dewan, but in case the information has not reached you I write now to tell you that an official application for Mr. Rickeyjohn's services is about to issue to you, and that I shall be

glad if you can allow Mr Bucklejohn to give up his appointment in Mysore in sufficient time for him to reach Mercara by the 23rd or the 24th instant.

Colonel Clarke, the present Commissioner of Coorg, cannot stay in his appointment a day beyond the 26th, because on that date he succeeds to Colonels allowances, and is ipso facto retired. Knowing this, he has booked a passage by a steamer leaving Bombay on an early day in February. You see therefore how important it is that Mr Bucklejohn should join at Mercara two or three days before the 26th.

As I understand that for some

time

time past you had un-official intimation of this transfer, I hope it will not cause any inconvenience to you now.

Mr Kreikejohn is coming up to Bangalore to spend Sunday with me, and returns to Mysore by the 2 p.m. train on that day. So if you care to communicate with him personally, I shall be very glad to see you at my house at any time on Sunday morning. I hear from Mr Kreikejohn to day that he has not yet received any orders on the subject.

Yours sincerely

My dear R

With reference to your Demi official of to-day's date to Mr Ananda Row (who is at present on leave) I write to say that having received Sir Oliver St. John's demi official intimation of Mr Micklejohn's appointment as Commissioner of Coorg, and in anticipation of the official announcement of the same, I have already informed that Officer by a letter posted in this day's mail, of the arrangements that are being

made to relieve him of the charge of the Mysore District at an early date.

Now that the formal intimation of his transfer to Coorg has been received, I shall send him a copy thereof with official instructions directing him to hand over charge of the District to the Senior Assistant Commissioner on the ~~21st~~ 20th or even earlier, if considered by him necessary, ~~whichever date he would prefer~~ These instructions will be posted ~~this evening, but I fear will not reach him before he leaves Mysore for Bangalore. tomorrow. Should you or he however still think it necessary that I should communicate with him personally, I shall be glad to call at your house, as you very kindly suggest, on Sunday morning.

Dated Bangalore, 23rd March 1891

SIR,

With reference to the correspondence ending with your letter no 1136/54 dated the 17th January 1891, I am directed to say that as Mr G F. Meiklejohn is one of the six European officers of the Mysore service, who were held to have no status in British service proper, but to have been employed in Mysore when under British Administration, and as he has now been transfered to British ser-

as Commissioner of Coorg, the Governor General in Council has been pleased to rule that the whole of his service may be held to be qualifying. Mr Meiklejohn will come under the Uncovenanted service rules regarding leave and pension, and his pension and leave allowances will, under the terms of paragraph 5 of this office letter No 2235-372 dated the 9th February 1885, be charged to British and Mysore revenues, according to the rule of proportions.

he

he States "Should it however happen hereafter that any of them are transferred to British Service the Government of India will not object to the whole of their Service being declared to be qualifying, their pensions being charged to British and Mysore Revenues according to the Rule of Proportion," an extract of the same having been forwarded to the Officers concerned, Vide para 5 of Proceedings No. 6608-14/144 dated 2nd March 1885.

With reference to your docket No.809 of the 14th Instant, requesting me to make the necessary arrangements for the payment of the proportionate share of pension debitable to the Mysore Revenues, payable to Mr.G.F. Meiklijohn, late Commissioner of Coorg, I have the honor to state that it does not appear clear from para 3 of the order of the Chief Commissioner of Coorg sanctioning the pension whether the entire pension should be disbursed from the Resident's Treasury, or only the British share thereof. If the Mysore share of the pension should be made payable at the State Huzur Treasury on a Pension Payment order issued by this office, I beg to state that Mr.Meiklijohn is entitled under the British Service Regulations to draw his pension on the form referred to in the note to Article 944 of the British Service Regulations which differs from the ordinary P.P.O. in not containing a full description of the pensioner. But no provision has been made in the Mysore Service Regulations for authorisation of the payment of pension in this special form to any class of officers- I reques therefore that you will kindly obtain the orders of Government as to the form on which I have to authorise payment.
